Dated 21st May 2026

To *The Hon Secretary &*
The Hon President & Returning Officer

Century Club
Bengaluru.

Sub: Your notice dated 16th May 2026 on the subject matter of SAC report & call for a special meeting of members.

Dear Sir

We the members of our esteem club are shocked to read this notice which implies that the SAC has not considered the replies, clarifications submitted to the SAC by the club.

This means the SAC report as received by the club may be erroneous and not factual.

Many of us tend to infer that the report could erroneously bring disrepute not only to the club, leading professionals engaged by the club for various activities, to duly elected members of executive committee, monitoring and finance committees and also the previous executive committee members.

We are also to understand that a group of members are keen to have this erroneous report discussed at a SGM which may result in unintended disrepute to members proposing to contest in the upcoming elections.

We the members request you to immediately call for a meeting of the members as per rules of club, to stop discussions of this erroneous/ incomplete report.

We would fully support the discussions on this report after SAC confirms and refers to various clarifications received and seeking any further clarifications as required and incorporating changes and corrections if so required.

We recommend that the report be presented within three months of new committee having taken charge.

We propose following resolution to "The SAC to study the clarifications received from the club and seek clarifications as required and submit a report within three months of newly appointed committee taking charge".

Yours Faithfully
