THE CENTURION

PRESIDENT'S MESSAGE

B. R. Priyadarshi
President

Dear Centurions,

At the outset, I wish you a VERY HAPPY, HEALTHY, JOYFUL & SAFE NEW YEAR. I thank everyone for extending your whole hearted support to our Committee in all our endeavours. There are many projects underway to make your visits to the Club more comfortable and endearing. We are hopeful that these initiatives will become a reality soon.

We consider ourselves a fortunate team for being instrumental in these developments which are essential to the growth of the Club in the coming years.

The renovated and refurbished Billiards section was appreciated by one and all. The members are very happy with the restyled sit out and developments made therein. A special thanks to Mr. Daulat B. Chhabria for his magnanimous contribution to the Billiards section.

The Gents and Ladies toilets in the Tennis/Badminton sections, have been refurbished with latest fittings and has a very modern look. I am sure the members of both the sections will enjoy the facilities.

We are in the process of refurbishing the Gym with new equipment and facilities.

We are also in the process of renovating the existing Stone pergola with a covering to provide shelter from rain, leaves and bird droppings. It will have a very aesthetic look and will also have additional seating space. The renovation will be executed without encroaching even an inch of the lawn.

The Christmas and New Year Celebrations were a grand success and the members enjoyed a spectacular show.

We will keep you posted about any developments in the coming months.

Till then, sincerely yours,

With best regards,

Priyadarshi
